We're the location to get for your called publication. And today, your time to acquire this

specific guide since among the compromises has become ready. ? ? ? ? My patience underneath the loss of friends and folk With pallor's sorry garb hath clad me, comrades dear..? ? ? ? I'll say. If for my loved ones' loss I rent my heart for dole, "When I returned from my fifth voyage, I gave myself up to eating and drinking and passed my time in solace and delight and forgot that which I had suffered of stresses and afflictions, nor was it long before the thought of travel again presented itself to my mind and my soul hankered after the sea. So I brought out the goods and binding up the bales, departed from Baghdad, [intending] for certain of the lands, and came to the sea-coast, where I embarked in a stout ship, in company with a number of other merchants of like mind with myself, and we [set out and] sailed till we came among certain distant islands and found ourselves in difficult and dangerous case. At this Queen Kemeriyeh was moved to exceeding delight and drank off her cup, saying, 'Well done, O queen of hearts!' Moreover, she took off a surcoat of blue brocade, fringed with red rubies, and a necklace of white jewels, worth an hundred thousand dinars, and gave them to Tuhfeh. Then she passed the cup to her sister Zelzeleh, who had in her hand sweet basil, and she said to Tuhfeh, 'Sing to me on this sweet basil.' 'Harkening and obedience,' answered she and improvised and sang the following verses: When the evening evened, the king sat in his privy sitting-chamber and his mind was occupied with the story of the singer and the druggist. So he called the vizier and bade him tell the story. "It is well," answered he, "They tell, O my lord, that By Him whom I worship, indeed, I swear, O thou that mine eye dost fill, ii. 213..INDEX TO THE NAMES OF THE "TALES FROM THE ARABIC". When she came in sight of the folk, they kissed the earth before her and she said to them, 'Tell me what hath betided Queen Tuhfeh from yonder dog Meimoun and why did ye not send to me and tell me?' Quoth they, 'And who was this dog that we should send to thee, on his account? Indeed, he was the least and meanest [of the Jinn].' Then they told her what Kemeriyeh and her sisters had done and how they had practised upon Meimoun and delivered Tuhfeh from his hand, fearing lest he should slay her, whenas he found himself discomfited; and she said, 'By Allah, the accursed one was wont to prolong his looking upon her!' And Tuhfeh fell to kissing Queen Es Shuhba's hand, whilst the latter strained her to her bosom and kissed her, saying, 'Trouble is past; so rejoice in assurance of relief.'? ? ? ? My tears flow still, nor aye of bitterness I'm quit, Bewildered as I am betwixten hope and fear..So each of them went up to the [supposed] dead man and dealt him nigh upon a hundred blows, exclaiming the while, one, 'This is for (45) my father!' and another, 'This is for my grandfather!' whilst a third said, 'This is for my brother!' and a fourth, 'This is for my mother!' And they gave not over taking turns at him and beating him, till they were weary, what while El Merouzi stood laughing and saying in himself, 'It is not I alone who have entered into sin against him. There is no power and no virtue save in God the Most High, the Supreme!'. Voyage of Sindbad the Sailor, The Seventh, iii. 224..? ? ? ? Whenas the soul desireth one other than its peer, It winneth not of fortune the wish it holdeth dear..Then the Khalif took him into his especial favour and married him and bestowed largesse on him and lodged him with himself in the palace and made him of the chief of his boon-companions, and indeed he was preferred with him above them and the Khalif advanced him over them all. Now they were ten in number, to wit, El Ijli and Er Recashi and Ibdan and Hassan el Feresdec and El Lauz and Es Seker and Omar et Tertis and Abou Nuwas (34) and Abou Ishac en Nedim and Aboulhusn el Khelia, and by each of them hangeth a story that is told in other than this book. And indeed Aboulhusn became high in honour with the Khalif and favoured above all, so that he sat with him and the Lady Zubeideh bint el Casim and married the latter's treasurers, whose name was Nuzhet el Fuad..Like a sun at the end of a cane in a hill of sand, iii. 190..Then he folded the letter and sealing it, delivered it to the damsel, who took it and carried it to her mistress. When the princess read the letter and apprehended its contents, she said, "Meseemeth he recalleth to me that which I did aforetime." Then she called for inkhorn and paper and wrote the following verses:..? ? ? ? ? ? Whenas mine eyes behold thee not, that day As of my life I do not reckon aye; Behold, I am clad in a robe of leaves green, ii. 242..Twelfth Officer's Story, The, ii. 179..When the morning morrowed and the folk came forth of the city, they found a murdered man cast down in a corner of the burial-ground and seeing Bihkerd there, doubted not but it was he who had slain him; so they laid hands on him and carried him up to the king and said to him, 'This fellow hath slain a man.' The king bade imprison him; [so they clapped him in prison] and he fell a-saying in himself, what while he was in the prison, 'All that hath befallen me is of the abundance of my sins and my tyranny, for, indeed, I have slain much people unrighteously and this is the requital of my deeds and that which I have wrought aforetime of oppression.' As he was thus pondering in himself, there came a bird and lighted down on the coign of the prison, whereupon, of his much eagerness in the chase, he took a stone and cast it at the bird..? ? ? ? o. The Merchant and the Thieves dccccxx. There was once a king named Suleiman Shah, who was goodly of polity and judgment, and he had a brother who died and left a daughter. So Suleiman Shah reared her on the goodliest wise and the girl grew up, endowed with reason and perfection, nor was there in her time a fairer than she. Now the king had two sons, one of whom he had appointed in himself that he would marry her withal, and the other purposed in himself that he would take her. The elder son's name was Behelwan and that of the younger Melik Shah, and the girl was called Shah Khatoun..Now the woman was in a chest and two youths of the pages of the late king, who were now in the new king's service, were those who had been charged with the guardianship of the vessel and the goods. When the evening evened on them, the two youths fell a-talking and recounted that which had befallen them in their days of childhood and the manner of the going forth of their father and mother from their country and royal estate, whenas the wicked overcame their land, and [called to mind] how they had gone astray in the forest and how fate had made severance between them and their parents; brief, they recounted their story, from beginning to end. When the woman heard their talk, she knew that they were her very sons and cried out to them from the chest, saying, 'I am your mother such an one, and the token between you and me is thus and thus.' The young men knew the token and falling upon the chest, broke the lock and brought out their mother, who strained them to her breast, and they fell upon her and swooned away, all three..Woman of the Barmecides, Haroun er Reshid and the, i. 57..When twenty days had passed by, each [egg] was hatched, and the vizier bade them pair the chickens, male and female, and rear them well. So they did this and it was found a charge unto no one. Then they waited for them awhile and after this the vizier enquired of the chickens and was told that they were become fowls. Moreover, they brought him all their eggs and he bade set them; and after twenty days there were hatched from each [pair] of them thirty or five-and-twenty or fifteen [chickens] at the least. The vizier let note against each man the number of chickens that pertained to him, and after two months, he took the old hens and the cockerels, and there came to him from each man nigh half a score, and he left the [young] hens with them. On like wise he sent to the country folk and let the cocks abide with them. So he got him young ones [galore] and appropriated to himself the sale of the fowls, and on this wise he got him, in the course of a year, that which the regal estate required of the king and his affairs were set right for him by the vizier's contrivance. And he peopled (258) the country and dealt justly by his subjects and

returned to them all that he took from them and lived a happy and prosperous life. Thus good judgment and prudence are better than wealth, for that understanding profiteth at all times and seasons. Nor," added the vizier, "is this more extraordinary than the story of the man whose caution slew him." .50. Ibrahim ben el Mehdi and the Merchant's Sister Night ccxlvii
