However the Division came about, from the beginning of historical time human beings have lived in the main Archipelago and the Kargad Lands east of it, while the dragons kept to the westernmost isles- and beyond. People have puzzled at their choosing the empty sea for their domain, since dragons are "creatures of wind and fire," who drown if plunged under the sea. But they have no need to touch down either on water or on earth; they live on the wing, aloft in air, sunlight, starlight. The only use a dragon has for the ground is some kind of rocky place where it can lay its eggs and rear the drakelets. The small, barren islets of the farthest West Reach suffice for this.. become them to guide them, but he could not hurry. There was on him the bewilderment of any. When he had done what he could to warn the city, and seen all the gate-guards and port-guards doing what they could to keep the few roads out from becoming choked and murderous with panicky people, Ogion shut himself into a room in the signal tower of the Port, locked the door, for everybody wanted him at once, and sent a sending to the Dark Pond in Semere's cow pasture up on the Mountain.. consecutive stops.
