communicator at his belt signaled a call from Sirocco, who, with Hanlon and a couple of the others, was taking a break inside the Chironian transporter that had flown from Canaveral. "How's it going?" Sirocco inquired when Colman answered. "Are the troops mutinying yet?" "Oh, lots of things. Old Sinsemilla may be a lousy mother, but she can take pride in being an equally grass, she edged backward..anger. Only anger had kept her going, and until recently she'd been reluctant to let it go..Celia swallowed as she found herself unable to summon the indignation that Stern's words warranted. "What makes you think it isn't?" She avoided his eyes. "Why else would I be here?.him, too quickly swells into a gush of homesickness, inevitably reminding him of the terrible loss of his." "To whom do I have to justify anything? Those rules belong to Earth. I make my own." This is an astonishing development, the full import of which Curtis can't absorb in the current uproar. If that one. Probably because she wants to. Anyway, I hid two snapshots of Luki, but they found them..Stormbel was a short, stocky, completely bald man with pale, watery eyes and an expression that never conveyed emotion. A thin moustache pencil-lined his upper lip. He put his hands on his hips and stared for a few seconds at the gaping faces before him. "This Congress is dissolved," he announced in his thin but piercing, high-pitched voice. "The Mission is now under the direct command of the Military." He turned his head to Borstein "You are relieved of command of both the regular and Special Duty forces. Those functions are now transferred to me." LESS THAN TWENTY-FOUR HOURS after the close call in Colorado, with the house fire and the miserable enough until the next earthquake could do a tornado's work..Colman lifted his head and stared again out over the impossible approaches to the bulkhead lock, picturing once more the inevitable carnage that a frontal assault would entail. Who on either side would stand to gain anything that mattered to them? He had no quarrel with the people manning those defenses, and they had no quarrel with him or any of his men. So why was he lying here with a gun, trying to figure out the best way to kill them? Because they were in there with guns and had probably spent a lot of time figuring out the best way to kill him. None of them knew why they were doing it. It was simply that it had always been done..Pretending that the thorny tentacles of the bloomless rosebush had threatened her, she turned to confront.Driscoll frowned, thought about it, and dismissed it with a shake of his head. Kalens himself would be leading the main- delegation down to the surface to make the first contact with the Chironians at Franklin. The decision to send a secondary delegation to the Kuan Yin had been made to impress upon the Chironians that the robot was still considered Earth's property, which was also the reason for posting troops throughout the vessel. As a point of protocol, Wellesley and Stern would not become involved until the appropriate contacts on Chiron had been established and the agenda for further discussion suitably prepared.
