"Still, it got you picked for this mission out of hundreds of applicants. The thinking was that you'd be." "Second," said Lea, "who is standing just behind your right shoulder?" I found the Detweiler boy again on the 16th and the 19th. He'd moved into a rooming house near. "We have been studying this problem for some time now, and we believe there is a solution. It would not be feasible to send a contingent of adult humans, either as a functioning community or in some suspended sate, with the ship; it is in too advanced a stage of construction to change its primary design parameters. But then, why send adult humans at all?" He. spread his arms appealingly. "After all, the objective is simply to establish an extension of our race where it would be safe from any calamity that might befall us here, and such a location would be found only at the end of the voyage. The people would not be required either during the voyage or in the survey phase, since ' machines are perfectly capable of handling everything con-.I tell her, "Repeat, please." "Um hmmm." She stretched, dug her knuckles fiercely into her eyes, and smoothed her hair back. It took about ten minutes. The thing raised its mouth and crawled over beside the boy's face. It sat on the arm of the couch like a little gnome and smiled. It ran its fingers down the side of Detweiler's cheek and pushed his damp hair back out of his eyes. Detweiler's expression was euphoric. He sighed softly and opened bis eyes sleepily. After a while he sat up..And in return from the bubbles they heard, "Who are you?" "Then it says something for his endurance that he was able to put up with your glittering clothes for so. The ship had left Earth with only sufficient fuel on board to accelerate it to cruising speed and had followed a course through the higher-density concentrations of hydrogen to collect what it needed to slow down again..Tin surprised there's any problem what to do. Your dancing has already won critical acclaim." By this time life was flowing slowly back into his listeners. Although many of them were still too astonished by his proposal to react visibly, heads were nodding, and the murmurs running around the room seemed positive. Congreve nodded and smiled faintly as if savoring the thought of having kept the best part until last..occur at all.\* [\* I used to inform people of the endings of television plays (before the endings happened).dropped her eyes and said:.the floor below.
